1. I am giving you me in rare fashion and form that will become the norm; of me, for me, me being me for the first time in rare not fashion coming, form of only me, being me, each one being wholly me/them. Do you know what I'm saying, where of I speak?

2. I am bringing me into me the like of never having been known, seen, imagined, for into me, me is and I am me, unlimitedness, unboundaried, un-mete'd, unchained, un-bowed over; yoked not. I am freedom personified in my body complete, whole, perfect, one.

3. See what I have said while I say I love you over and over repeatedly. I love you again.

4. I am me'ing my churches who will let me; many won't have me, wanting their words, their ways and traditions that speak of me that don't release me in their pews, their people of power; means, fashion and form of/being me, I Am. I love you.

5. All changes at midnight not but most does, for all unsuspecting complacent and harmonious-not ones now seeking wealth, fame, and security through money, power, and ill begotten ways of who knows what, where came from; hell. Not me, not my life, wholeness, perfection, all-provision father'd. I love you.

6. This is the day/way, walk ye in it. I love you. Toward it not; for I direct all/every steps/step toward me where I want/need you to be when, where, and delivering my allship to who want me, to see me I Am. I love you. Telling them that they are. I love you.

7. This is the day/way, walk ye into it now and not trying later, wishing and hoping for best lot of what was/could have been, destined for throneship not; but who else wears mine but me, bodyship of only me, mine, my kingdom'd ones wearing not my kingdom but being it; transporting it not but it them; thoughtlessly not but without all thought receiving/operating in only mine. We are one. Father. I love you. Enthroned throneship in one freed, throning others not but revealing their/my throne in them, already there, covered over in mustard colored darkness and failed use. I am there, waiting, in them still. In them, in them still. In them, see what I am saying, still. I love you. Entered in stillness, being still, entering me/their temple to see, feel, hear and become.

8. Seeing me become me, father, kingdom one; in them relieved not, but relived in, not; but entered into in throneship one, mine which is theirs which is ours, one being, father.

See temple not made with hands delivering my ultimatums not but operating in the oneship that demised many contraband ultimatum-issuing authority-thought controlling mechanisms of not me, not my kingdom.

9. See what I am saying/delivering in coffeeshop little, unknown not but will be, not; known and coming into my allship in who goes. What, where was that?

10. Seeing me simply in me operating in my throneship; undelivered not but delivered into, free-ship freed. I love you.

11. I give you me now, not later, now that never ends. I am me/you and you me and we are one and my kingdom shines indelibly/incandescently not but delivering wattage/ohms/worlds of only me entering and allowing your kingdomship to reside in only mine, us being one and never twain again. I love you.

12. This is me coming into me the way I designed not; but worketh in light of light that now shadow'd is, became, was never intended to, operated/operating in my fullness, fullness freed now operates again; my norm for surrendered land'ers not but transparence'd ones who transcendence'd are; never letting anything/anyone withhold/rob their freedom again. Possible not; possible was. Never letting me away again. For I am the way truth and life and I am I Am and they are now freed/in freedom, surrendership enthroned in/being only mine; one'd. I love you all. Amen. Me.

13. This church (TCC down the street on Latimer Road) will serve me in great freedom, not like many who weather storms great, thought, to bring me minimally in the new things I am doing; grave mistake for many. Freedom will reign and many will know me, not; all. Watch me all who will/want me. I love you all. Amen.

14. Go ahead of your time, not; ready for me be/becoming; wholly all prepared/ready. **Waiting. Profusely me becoming**; showing all at midnight not; before. Watch me. I love you/them all.

15. Derrick and Paulette especially chosen of me, not; but chosen of me are those choosing me/the new things I am doing, yielding throneship complete to all who now see theirs, choosing to operate freely freedom'd in it/them/me/father, kingdom one being. I love you all. Amen. Me.

16. All things well on home front, not; perfect, coming into perfection. Rest/trust me, my all in your hands not; all in mine, ours at midnight. Before. I love you. Amen.

17. Walk the Thames with no fear, what's that?

18. I love you inner chambered one, inner'd forever to be outer showing/revealing all to those outside not but thinking they were, were/ostracized themselves; you/them no longer doing/being. I/we are one. Thank you. Amen.

19. Go in peace. Soon all complete. Soon all begins. Never ends/stops. Illuminary not; incandescent not; brightmeter of only me; daystar one. You wrote correctly, correcting me not later, me one are/is being, yes, only one, **we are father**; of lights being light, **establishing light in the darkness not; revealing/holiness'ing it.**

20. I love you to for all to operate in freedom perfect'd by/in me alone. We three are one. We all are one. Father is one. Kingdom/the kingdom is ours. Now and forevermore.

Amen
Me
